

9 Order example of force sensor

Force sensor of C series with nominal force range 50 N:

Force sensor C 50.

Note: if wished, the wire length (standard 80 mm) can be changed, in this case the required length should be added to the wire code L, for example:

Force sensor C50-L150.

10 Marking

Marking on the sensor body must contain following information:
designation of the sensor and order number.

Microtensor

Force sensors C Series
